Do you want to be more involved with your credit union?

Here's your chance! Become a volunteer representative of Board of Directors or Supervisory Committee. As volunteer representatives of the membership of Southwest Federal Credit Union, Board Members review the financial condition of the credit union, make decisions on the direction of the credit union and set the vision for the future of the credit union. Volunteers must be able to attend a monthly meeting. Generally, Board Members will need to dedicate about six (6) hours a month to credit union business.

Learn more and get a volunteer application on our website under the tab "About Us," then select "Volunteer Opportunities."

We held our Annual Shareholders' Meeting on May 23, 2023. All Board Members that were up for re-election have been re-elected, so your Board remains unchanged.
